“The Beachside Candy Shop concept emerged from the client’s love of clean pop colors, her youth, her sunniness, her penchant for retro and above all her sense of fun.

The leading colors would be pink, yellow and touches of lagoon blue. The materials that speak to the theme are rattan, light oak, papier-mâché, beach towel tassel, seashells and gold.

The art was chosen to enhance the experience, but more importantly, because I am familiar with how good these artists are, how prolific they will be, that they are all Canadian, mostly female and mostly local. These pieces are all modestly priced.

Artist Included: Patti Normand, Julia Campisi, Julia Callon, Troy Moth, & Heidi Conrod.

Entering this home would feel like stepping into the South of France, Saint Tropez circa 1950. Move over Brigitte Bardot!”
