*“This mood board reflects the client’s glamorous persona and her desire for a statement living space on the main floor, with a nod to her playful side and her desire for comfort and ease for her loved ones.*

*This rich jewel colors pop with fervor however all the while being downplayed by subtle wall and lighting treatments.*

*The tailored lines resonate with sophistication while the textures remain inviting. The WOW factor lies in the unique combination of all finishes reminiscent of Hollywood’s heyday as seen through a 60’s Frenh Cinematic lens.”*
