Maison Mariposa

Concept by Henrietta Southam

Sehrab, Harcharan and Gordon's forever family home is a beautifully proportioned Art Deco center hall house that sits under a great oak tree on the corner of Manor and Mariposa in the heart of Rockcliffe.

Maison Mariposa is the perfect fit for this family in size and grace but needs an in-depth makeover of the kitchen and family room (which as of yet does not exist), an addition of a full bathroom on the main floor, a new mudroom, a potential winter veranda that can double as an office and triple as an in-law bedroom, a new master with its very own 4 piece ensuite and a walk in closet.

The color scheme was chosen to compliment the furniture and carpet colors the clients currently have as well as align with the simpler pastoral bones of their new home. The updates are timeless and will hold value going forward. Classic and well-appointed drawn plans were done with minimal wall redistribution.

The concept will allow for ease of 4 season living in a larger more comfortable space that better suits the needs of this young family as well as accommodate for their family members with less mobility. Maison Mariposa is a place of repose and joy, simple pleasures and quiet luxury, a home and a sanctuary.

<div><p><i>Daffodils</i></p><p><i>I wandered lonely as a cloud That floats on high o'er vales and hills, When all at once I saw a crowd, A host, of golden daffodils; Beside the lake, beneath the trees, Fluttering and dancing in the breeze.</i></p><p><i>Continuous as the stars that shine And twinkle on the milky way, They stretched in never-ending line Along the margin of a bay: Ten thousand saw I at a glance, Tossing their heads in sprightly dance.</i></p><p><i>The waves beside them danced; but they Outdid the sparkling waves in glee: A poet could not but be gay, In such a jocund company: I gazed—and gazed—but little thought What wealth the show to me had brought:</i></p><p><i>For oft, when on my couch I lie In vacant or in pensive mood, They flash upon that inward eye Which is the bliss of solitude; And then my heart with pleasure fills, And dances with the daffodils.</i></p><p><i>William Wordsworth, 1804.</i></p></div>	<div><p>HENRIETTA SOUTHAM</p></div>
