TURTLE

Our turtle did not eat today,  
Just lies on his back in the strangest way  
And doesn't move.  
I tickled him  
And poked him  
And dangled string in front of him,  
But he just lies there  
Stiff and cold  
And sort of staring straight ahead.  
Jim says he's dead.  
"Oh, no," say I,  
"A wooden turtle cannot die!"

- Shel Silverstein
